

# Cubicle Art Displays and Card Racks GUIDELINES

## **CUBICLE SPACE and CARD RACK AVAILABILITY**

Free cubicle and card rack space is available on a monthly basis to Paradise Art Center member artists who wish to display and/or sell their art separate from gallery exhibits, or who wish to sell original, hand-made cards. Cubicles and card racks are free from the first through the last day of the month. Artists are asked to sign up for only one month at a time. Sign up sheet is posted on the bulletin board next to the gallery door. All art work in cubicles must be made by Paradise Art Center members.

**CUBICLE DISPLAYS** • All art displays should promote and reflect the mission of Paradise Art Center. Art displays are the artist's choice, and are expected to be presented in an artistic, professional manner. Two black display easels are available for each space; additional props must be provided by the artist. Museum putty or clear push pins must be used for cubicle walls. It is the artist's responsibility to install and maintain art displays and to remove displays on the last day of the month. Paradise Art Center will not be responsible for any works left beyond the assigned dates if they must be removed by the incoming rental artist. Paradise Art Center does not have storage facilities.

**CARD RACK DISPLAYS** • Cards may be displayed individually or in packets and are expected to be presented and maintained in a professional manner. Artists must use card racks provided by Paradise Art Center.

**IDENTIFICATION AND PRICES** • *Each item must be identified with the artist's name and price.* Artists are responsible for their own price tags and identification information and are free to display additional bio and contact information. Written information must also be presented in a professional manner.

**ART and CARD SALES** • Artists set their prices; Paradise Art Center handles the sales. *The artist's name and selling price must be included on all art work and cards displayed in the cubicles.* A check will be sent to the artist after the sale has cleared and the art received by the buyer. A commission donation of 25% will be taken by the Paradise Art Center. This commission goes toward upkeep and ongoing maintenance of the art center.

## Art Classes at Paradise Art Center

Classes at Paradise Art Center are centered around self-expression, creation of original work, and learning basic skills toward accomplishing eventual mastery of the many different media offered at the center. The conceptualization, visualization, and creation of art work from simple materials are fostered and encouraged by our teachers and facilitators.

Emphasis is placed on working directly with materials and encouraging the creative process, rather than relying on kits or pre-made, packaged supplies. Starting with a blank canvas, a piece of paper, or a bag of clay allows students the joy of discovering the full creative process and deepening their experience. This depth allows students a fuller understanding of their chosen medium, and opens up many possibilities for completion of their work.

Thus, the goal of the art center is to have our students learn the skills, techniques, and methods necessary to create unique pieces that will expand and enrich their lives and foster a greater appreciation of the visual arts.
