## Art Auction 2024: A Resounding Success!

It was quite a night Saturday, June 8th at the Paradise Art Center. The Second Annual PAC Auction, a fundraiser for the Raise the Roof Fund was held this year in Wheeler Gallery. 37 pieces were donated by our membership artists in all mediums from ceramics to photography, watercolor to graphite and acrylics to oils and many others.

Charcuterie, prepared by Berta Roebuck and other volunteers and libations served by Margaret Vanlaan-Martin also added to a great ambience as visitors enjoyed a pre-auction sip and chat. Doreen Fogle and President Kathy Dysert did the honors at the sales desk, welcoming the auction audience and selling bidding paddles, raffle tickets and drink tickets.

At 4:30, Greg Sanchez, auction organizer and auctioneer gathered everyone with bidding paddles to gallery seating courtesy of Chapelle de L'Artiste and brought to PAC by Bill and Pam Hartley. Lively bidding and much laughter and enthusiasm ensued as nearly \$6500 was raised for the Raise The Roof Fund. In one calendar year, the two Art Auctions have raised nearly \$11,000! Thank you, member artists for your full donations and our volunteers for their contributions all evening.

# Remembering Mary Ryan and Paradise Art Center

In the mid 1980's Mary Ryan joined my pottery class at night. She had been making pieces at Shibui studios so her skills were already well developed. I knew we would be friends from her first days in the class. She was such a vibrant, sparkly, happy person most people were drawn to her. Her presence made the class more lively. Over the years she became an integral part of maintaining the lab which included firing the kilns, stacking the gas kiln door faster than anyone, and keeping the rooms orderly and clean. During her active years she made many pieces using both high fire stoneware and Raku techniques. She would always bring delicious food creations to the Raku firings at my home. In addition to making pieces for herself, she made hundreds of soup bowls for our biggest fund raiser, Souper Saturday.

Even though Souper Saturday ended in 2016 I have people ask me if we are still doing it, it was that popular. In 1996, a

few of us were thinking of fund raising ideas and we decided to try this one. The first two were at the Art Center and they were rather small and very crowded. When Mary took this event over she organized it so well it kept growing every year. It went from 80 people to 250 in attendance. She made many of the soups, oversaw it, and made sure all was running smoothly. Folks would line up one to two hours early so they could pick a handmade bowl, and then fill it with any of the 20 plus kinds of soup. I have included the Pear Bisque recipe which I did not think sounded very good, but it was very popular and I was wrong. I loved those days, even though they were hard work, it was for a good cause. Many of my friends still have bowls in their cupboards from this event.

In addition to serving on the Art Center Board for many years and generously giving to fundraisers, Mary also served in other service groups, including her church. She and her husband, Dick, were some of the leaders responsible for the conception and construction of the Performing Arts Center, which is still going strong. She served in other service groups including her church. She raised a family of four kids and was a devoted mother and grandmother. Often her family would come to events and support her efforts.

She was also my friend, always ready to help, to go on a trip, or have a dinner party at her lovely home and garden. She was an avid traveler and had been to many places in the world because her husband was in the military. A group of us went to China and I still have fond memories of our travels. If you asked her to do something, it was done.

## Remembering Mary Ryan and Paradise Art Center (continued)

She was loyal and kind and made the world a much better place, so many will miss her. Although small of stature she had one of the largest hearts and I count myself lucky to have know her for so many years.

- Cathryn Hudin

## Memorial Service for Mary Ryan

September 28th at 2 p.m.  
Paradise Performing Arts Center

## Mary Ryan's Curried Pear-Squash Bisque

Serves 8 people

1 Butternut squash (about 2-1/4#s)	2(14-1/2oz) cans vegetable broth
1 Tbsp. butter	2-1/2 tsp. curry powder
2 cups chopped and peeled Bartlett pears	1/2 tsp. salt
1-1/2 cups thinly sliced onion	1/8 tsp. black pepper
2-1/3 cups water	1/2 cup half and half
1 cup pear nectar	1 small Bartlett pear, cored, thinly sliced

Bake split squash in a 375 degree oven for 45 minutes or until tender. Cool, peel, mash and set aside 3-1/2 cups of pulp, use the rest in another recipe.

Melt butter in a Dutch oven and sauté the chopped pear and onion about 10 minutes or until lightly browned. Add squash pulp, water and next 5 ingredients.

Bring to a boil, partially cover, reduce heat, and simmer 40 minutes.

Use an immersion blender to thoroughly blend soup, add half and half, cook over low heat until heated through.

Ladle into bowls and place pear slices on top of soup.

# Partners in Art Fundraising

The Fundraising Committee continues to work hard to raise money for the Art Center. Last Fall we created Partners in Art as our overarching fundraising slogan.

Partners in Art - Raise the Roof is the name of the current campaign, which has focused on the urgent need for funds to reframe and replace our roof plus take care of multiple, newly discovered, infrastructure construction needs. Thanks to the generosity of our members and special donors, we have raised over \$66,000. This takes us very close to covering the final cost of \$87,002.26.

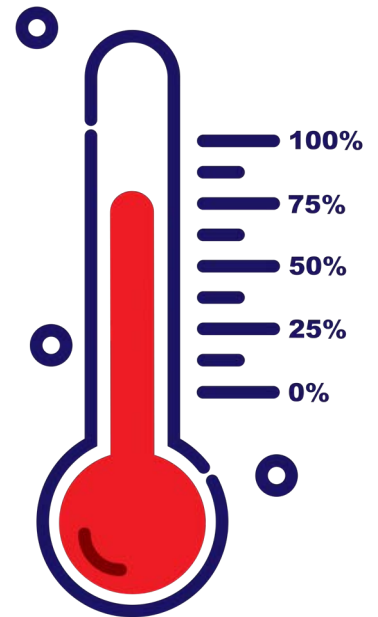

Our May fundraiser at Mountain Mike's was fun and well attended, raising almost \$1,000 from direct donations and proceeds from restaurant sales. Our 2nd annual Art Auction was held at the Art Center on June 8th and raised \$6,061.00.

We are hosting a Wine Tasting event on August 23rd from 5:00 – 7:00 at the Art Center for all in our community age 21+. Thanks to Grocery Outlet for guiding and supporting us in this new fundraising adventure.

Kudos to committee members Patti Lloyd, Diana McCollum, Ann Slocum, Lori Phelps-Zink and Karen Voigt for their dedication to the work of this committee.

The next Fundraising Committee meeting will be a brainstorming meeting on September 10th . Contact Karen Voigt if you'd like to join this meeting. [nomokavadc@gmail.com](mailto:nomokavadc@gmail.com)

# Facilities Update

As you all know it has been quite an active period as far as facilities go at Paradise Art Center. Much moving around of furniture and rescheduling of classes occurred but thanks to our great contractor Kyle Ritchie of Ridge Builders and foreman Hoss, we were really little inconvenienced. And the good news is it is finished, Paradise Art Center has never been better AND we came in under what we all thought it would cost. Fundraising efforts by Karen Voigt's committee and the Art Auction, along with large donations by our amazing community paid for the largest amount of the total and the Art Center absorbed the rest. Fundraising will continue to pay back our contingency and operating money and to ensure we can do other much needed building improvements, especially in the pottery area. Thank you Kyle and membership!

In other facilities news, the Paradise Art Center courtyard continues to be up graded with a shade sail (donated by Enid Hewston), numerous artworks from Patti Lloyd, Sheri Schwarzweller and Brian Corbit and now a new Japanese Maple donated by the Rebuilding Foundation. Thank you, Jen Goodlin and Staci Galla! Stay tuned for other new additions. AND, a new exhaust pipe has been ordered for the gas kiln in the garage. Soon it will arrive and be installed and once again fired up! Thanks to Mark Presson for his expertise and help in this area. Storage in the garage is also being addressed. Both will enhance the pottery experience and enable us to do much more in that area.

## Member Spotlight – Edie Abeyta

Paradise Art Center member Edie Abeyta brings the adage that life is a journey into sharp perspective. Edie moved from the East Bay Area to Magalia in 2005. Her life journey continued as her adult children

moved away and later, she became widowed. Soon after the loss of her husband, the Camp Fire in 2018 made it difficult to remain in Magalia. Although loving Paradise, circumstances found Edie relocating to Chic. However, she joined the Paradise Art Center soon after the Camp Fire to be close and involved with the town.

She stated that she always “wanted to be an artist, but the life of a working wife and mother never seemed to allow the time to explore personal development. Life has a way of not allowing a person to get to a place where they can achieve the dream that they so desire!”

Her formal art training was composed of high school art classes and Graphic Design classes at Los Mendanos College in Pittsburg, California. At one time she worked at Long’s Drug Stores as a graphic designer for their advertising. Edie enjoyed the ‘art’ side of the position, but the monotony was arduous. She continued enjoying art projects for family and friends

which kept her excitement for art alive. However, in her dream she “always longed to be able to just create! Paint what I wanted to paint!”

The changes in Edie’s life led her to realize that “something wonderful happened to me in spite of my surroundings. My mind opened up to [the] concept that I could do whatever I wanted to do now!” She remembers seeing a piece of art that she wanted to paint but had no idea how to approach the task. A good friend gave her some ‘tools’ and helped expand her abilities and confidence to move forward. Edie

began watching other artists on television, which gave her the tools to begin making the art she always dreamed of creating. In her own words, “So I began the second phase of my art travels. The first being wanting to, and the second being the doing of it!”

## Member Spotlight – Edie Abeyta (continued)

Although, having experimented with a variety of media Edie found working with acrylics is her favorite media due to the freedom it allows to explore new types of art. By adding a small amount of water, she can create by airbrush. By adding Floetrol and water to a heavy base acrylic paint she can create a Dutch pour canvas. Lastly, she takes brush in hand and paints in a more traditional application, although has no hesitation to mix techniques depending on how she feels at the moment.

Edie shares her passion for art with the love of the outdoors and considers herself both an artist and amateur photographer. “The shapes and colors I see in nature have an enormous emotional effect on me.” Hiking is an important part of her life, and she has been able to go on hiking trips in various locations around the planet. Her desire for “adventure” is apparent in both her activities and her art.

Stating that she is new to canvas and abstract art, Edie feels that sharing one’s art is a way of both personal and interpersonal communication. She has shown her artwork at both Nic’s and the Wheeler Gallery and has enjoyed seeing what other artists in her area are doing. She feels that interactions with other artists as well as receiving feedback on her work are opportunities to gain experience.

When asked about her abstract artwork versus more representational art, Edie responded, “Abstract art, to me, only represents one thing to me. How I feel at that time. Yes, sometimes I will paint in the shape of a wave or trees...but, when the painting is done, I only look to see if it has represented my feelings, not the trees.” Wanting to avoid negativity in her paintings, she prefers to create when she feels ‘good’ or ‘inspired’.

When visiting the Nic’s and Wheeler Gallery exhibits, if you see a rather striking painting, take a closer look. It might just be the work of Paradise Art Center member Edith Abeyta.

# “Hammers & Harmony” Fundraiser

Our “Hammers & Harmony” fundraiser on June 19 raised \$1,375. All the money raised went to our Raise the Roof fund thanks to Theatre on the Ridge for the free use of their facility and to the talented musicians who donated their time and talent. (Dallas Darnell, David Cowen & Amalie Sorensen, and Maryann O’Kelley & Tom Daly)

Thanks are due as well to Art Center members Sheri Schwarzweller who created the graphic for our promotions, to Jodee Merrill Smith who enlisted the help of the musicians and brought us this great idea and to Greg Sanchez for being Emcee.

- Karen Voigt

## Recycling for “Raise the Roof”!

Here’s an easy way to help make a difference and contribute to the “Raise the Roof” fundraiser if you are on the Ridge.

In our 2021 fiscal year we had a total of \$35 in recycling.

In our 2022 fiscal year we had a total of \$55 in recycling.

In our 2023 fiscal year to date, we have had a total of \$254.65 in recycling.

We are receiving around \$60 each month from recycling since this way to help was announced. If you’re not bringing in your recycling yet, please consider doing so.

Thank you to each and every person who is bringing their recyclable cans and bottles to the Art Center. Thank you to Sally Armstrong, who suggested this as an easy way for people to contribute. Thank you to Sally and Byron for their time sorting aluminum, plastic and glass and taking it in to be recycled.

Aluminum Cans, plastic bottles/cans preferred. Glass is reluctantly taken. The plastic needs to be marked as recyclable - CRV. If you wish to make their life simpler, package the different kinds of recycling in separate plastic garbage bags. You can bring your recycling to the back door of the Art Center. You will see specific cans where you can dump the cans and bottles, or you can just place your full plastic bags behind these cans. Sally checks and picks these up often. Every little bit you contribute helps pay for the extensive, expensive work we have had to do on our building to make sure we are safe!
