Inspired by..... Submission Overview

Show gallery viewers what inspires your art work! For this all media show, artists will be expected to provide an artists' statement that explains, describes, or shows the inspiration for each art work, in order to give viewers some insight as to how each artist is inspired. An artists statement can be one sentence or a paragraph. It should fit in a 5x7 format if possible, be no larger than 8x11, and can include a photograph for additional reference and explanation. Artists will write and design their own professional looking artists' statements; they will be submitted with the art work at drop-off and will be hung with the work.

Submission Guidelines

All entries for show must be originals: no copies, prints or reproductions of original artwork. Compositions from previously published photographs not taken by the artist, or from other artists' work, are not considered original. Art work should not have been exhibited previously at Paradise Art Center. All works should be for sale.

Gallery Docents and Reception Contributions

All artists showing work at this exhibition are required to act as gallery docents for at least one weekend shift. A signup sheet will be available at drop off. If a reception is held, exhibitors will be asked to contribute refreshments.
